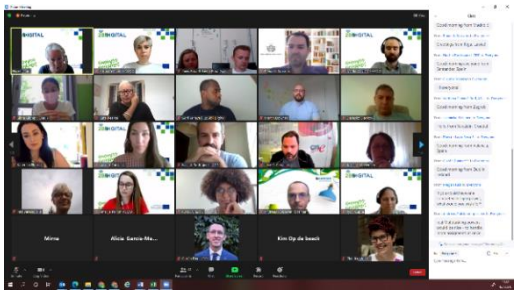
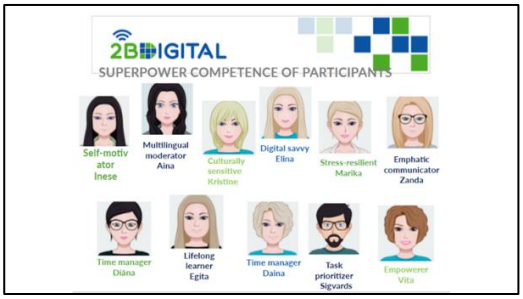
EVENTS & ACTIVITIES



Business breakfast

Kicking off with an icebreaker question of **“If you could have one competence superpower, what would you wish for?“**, participants had a chance to get to know each other in small rooms before returning to the main session...Reed more



2BD Educator´s Café

An overview of the Project objectives was presented and a **‘hive mind’ exercise** undertaken to identify the most important **competences** used in the educators’ practice, and their needs for teaching online...Reed more

Students Competence Hackathon

The main findings and conclusions from this activity were that generally students **enjoy learning when their teachers are motivated**, and guide them in their learning process, with an important practical orientation...Reed more

2BD´s Partner Meeting in Madrid

All project partners came together to **review consultation and co-creation findings** to agree the final shape of our innovative **new framework of competences** to prepare young people for life and work in a digital world...Reed more

COMPETENCE FRAMEWORK

Upcoming soon, stay posted!

The **2BDigital** Competence Framework is designed as **a ground for** training teachers all over Europe to implement and mainstream an innovative online teaching and assessment **methodology**.

This will allow VET students to promote their **transversal and digital competences** for successful engagement in learning, work and life in a digital world.
