Co-funded by the  
Erasmus+ Programme  
of the European Union

# Key steps to develop digital pedagogy skills

- 2. Develop knowledge and understanding of quality digital pedagogy practices.

Co-funded by the  
Erasmus+ Programme  
of the European Union

## Key steps to develop digital pedagogy skills

- 3. Start implementing instructional coaching cycles and collect data.

Co-funded by the  
Erasmus+ Programme  
of the European Union

Agency for Vocational  
Education and Training  
and Adult Education

# Key steps to develop digital pedagogy skills

- 4. Develop digital skills proficiency.

Co-funded by the  
Erasmus+ Programme  
of the European Union

Agency for Vocational  
Education and Training  
and Adult Education

## Key steps to develop digital pedagogy skills

- 5. Share professional practice, then reflect on your own practice.

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Learning Management System (LMS)

- Interface and functionalities control how teachers teach.
- How to use LMS today?
- Internet as the new LMS?

Co-funded by the  
Erasmus+ Programme  
of the European Union

## Conclusion

- What happens when learning is removed from the classroom and exposed to the entirety of the digital landscape?

Co-funded by the  
Erasmus+ Programme  
of the European Union

Agency for Vocational  
Education and Training  
and Adult Education

## Questions?

- Thank you for your attention.
